

On the coldest morning of the year, 30 GM Lansing Social Club members staffed 15 Quality Dairy stores. The cause was collecting money for Old Newsboys to provide shoes, boots, and socks for kids in need. This capped off year 101 which started in 1924!!! Our total collection was a record setting \$4,570, thanks to the generosity on the Lansing Community. Thanks also goes out to all of our volunteers and the Quality Dairy stores for supporting our efforts.
