

The Lansing Delta Township (LDT) Local 602 opened its doors for Family Day on August 16. Our recruit tent was not present but 2 of our prominent members were there with their cool cars: Tony Kolp with his 1964 Oldsmobile Jetstar and Randy Thayer with his 1968 Oldsmobile 442. We have more Club Members that may show their cars in the future, stay tuned. There were informative tours through General Assemble (GA) and the Body Shop. The free hot dogs and popsicles were great. Our Club plans to have a recruit tent at the Lansing Grand River (LGR) on September 20.
