

## **Session 8 for the Greater Lansing Food Bank**

The volunteer session at the Bath warehouse on 12/11/25 was a great success! It was our 8<sup>th</sup> session over the last 2 years assisting the GLFB. This two-hour work session involved checking/cleaning/sorting bins of donated food items and packing them into specific-weight boxes. On a second “assembly line”, three members were posted to join other regular volunteers, packing bags of food for kids. We excelled at both operations and had a splendid time working together. There were 22 GMLSC volunteers that were able to be there. And 4 of those were new to the effort. We’re very happy to have the new folks join us! Next up: March 11, contact Larry on [ljpdoyle@aol.com](mailto:ljpdoyle@aol.com) to volunteer.
